

**For the safety of our customers and staff,
our lobby is hosting a **limited** number
of **visitors** at a time.**

Our floor plans and number of employees vary by branch, so we have a different limit at each location. Limits are posted at the bank's entrance. Upon entrance, masks & hand sanitizer are available for you to use if you wish. We have installed plexiglass screens at our teller lines and new-accounts desks.

- **Our drive-thru services are a great way to continue social distancing.**
- **Our ATMs are available 24/7. Screens and keypads are cleaned daily.**
- **Our online and mobile banking services are available 24/7.**
 - **Access your account balances, transactions, and other important account details.**
 - **Transfer funds between your accounts.**
 - **Deposit checks or set up direct deposit to have your paychecks automatically deposited into your account.**
 - **Pay bills, set up recurring payments through our free bill-pay program.**
- **You are welcome to schedule an appointment with your banker if you want to secure a time.**
